APPROVAL OF MINUTES

Dave made a motion to approve the minutes, as submitted, from the April 18, 2015 Meeting of the Monroe Township Board of Health. The motion was seconded by Jerry and approved by all members.

CASH SETTLEMENT REPORT:

Eileen reported the cash settlement for April as \$5196.27. Eileen noted that Vicki attached the April 2015 Summary of Deposit report, as she does monthly, to the minutes for all of the members to review the breakdown of what was taken in.

REPORTS:

VICKI MACHULSKY:

Vicki mentioned that she attached the spreadsheet for the complaints so far for 2015, and in this year's spreadsheet she has added a line for "Called in Vacant" to note that the caller mentioned if the property was vacant for when the vacant property registration begins. She will be able to give these to whoever is doing it. Vicki also showed where she notes the banks name she is dealing with on any property.

Vicki also reported that she spoke with Animal Control about the discussion at the previous meeting in reference to Pet Purchase Protection Act, and they said that there is nothing in the Township Ordinance that needs to be changed because it is not something that affects Animal Control.

DAN KOZAK

Dan had nothing to report.

COUNCILMAN WALT BRYSON

Cncl. Bryson had nothing to report.

RENE PANDOLA

Rene asked about residents possibly trying to get an ordinance passed about residential chickens. There was a discussion amongst the members about their opinions and feelings for chickens being allowed in residential areas. After the discussion, Eileen suggested to take a poll of the members for and against to let Cncl. Bryson take that back to the Ordinance Meeting when this is addressed. The members of the Board of Health took a poll and expressed to Cncl. Bryson that they do not want chickens in a residential area. Cncl. Bryson said that he will be sure to express this to the members of the Council.

BARBARA CHAMBERLAIN

Barbara was not present.

JERRY CONTE

Jerry had nothing to report.

DAVID SCALES

David asked about spraying for caterpillars. Vicki said that the State does a gypsy moth survey and then lets the Board know what they can do. It was mentioned that the County does spray for mosquitos.

EILEEN FERGUSON

Eileen reported a few properties to Vicki for high grass.

- 1. 331 North Main Street
- 2. 75 Sicklerville Rd
- 3. Next to 75 Sicklerville Rd
- 4. Across from 75 Sicklerville Rd
- 5. Car Wash on Sicklerville Road

Vicki and Dan stated all but 331 North Main Street are on the list already.

CHRISTINA CAPATE

Christina was not present.

With no further business to discuss, Rene asked for a motion to adjourn. Dave made a motion to adjourn the Monroe Township Board of Health meeting of May 13, 2015 and it was seconded by Jerry. All were in favor and the meeting was adjourned.

Respectfully submitted,

Tara Park
