APPROVAL OF MINUTES

CASH SETTLEMENT REPORT:

Eileen reported the cash settlement for the October: \$1910.00 was collected by the Board of Health Department and \$892.09 was collected by the Tax Office for Board of Health Liens, for a total of \$2802.09.

REPORTS:

VICKI MACHULSKY:

Vicki reported that Isaac has resigned and sent her the signed letter she sent him.

Vicki stated that Dave and Eileen have both sent in their letters for re-appointment.

Vicki said that the Gloucester County Board of Health was out to Peter's Diner to do an inspection on October 27th based on the complaint that Rene reported at the last meeting. At the time of inspection, the dumpster was cleaned up and there were no rodents evident.

Vicki went over a new ordinance for "Invasive Plants" with the members.

Vicki talked to the members about the old Training site on Malaga Road (on the left, heading west from Peter's Diner) and went over a situation where there was a company dumping stuff they had moved out of a home in another town. In the debris found on the property was the address for where it was moved from and Vicki did the research to find out who dumped it. The owner of the property was supposed to clean it up but never did, and the County offered to send a violation to the owner. She also noted that there is now a new site on Jackson Road that the same thing was just reported.

CHRISTINA CAPATE

Christina talked about the dumpster area at the Amberleigh development and wanted to know if anyone was aware of a required distance from the dumpster to the pool. No one was aware of one.

With no further business to discuss, Eileen asked for a motion to adjourn. Christina made a motion to adjourn the Monroe Township Board of Health meeting of November 18, 2015 and it was seconded by Dave. All were in favor and the meeting was adjourned.

Respectfully submitted,
