PROFESSIONAL SERVICES AGREEMENT
between the
Township of Monroe
and
Maser Consulting P.A.

WHEREAS, the Township of Monroe (hereinafter referred to as the "Township ") has been organized under the laws of the State of New Jersey and requires the regular services of a Redevelopment Planner for the Township ; and

WHEREAS, Maser Consulting P.A. (hereinafter referred to as "Engineering Firm").

NOW, THEREFORE, IT IS AGREED by and between the Township and Maser Consulting P.A. as follows:

I. **APPOINTMENT.** Maser Consulting P.A. is hereby appointed and retained as Redevelopment Planner for the Township of Monroe ("Redevelopment Planner").

II. **TERM.** The term of this appointment shall commence on January 1, 2017 and shall continue until December 31, 2017 in accordance with the terms and conditions of this Agreement.

III. **TERMINATION OF AGREEMENT.** This Agreement may be terminated by either party during the term hereof by the giving of ninety (90) days written notice to the other amicably and reasonably resolved or whether, in their sole determination, the Agreement shall be terminated.

IV. **ADDITIONAL PROFESSIONAL SERVICES.** If the Township needs any other services that may or may not be related to the above matter, the Township and the Engineering Firm may make a new Agreement to provide the other services. Any revisions or changes to the Agreement must be made in writing, by addendum or by letter, and acknowledged by the Township and the Engineering Firm.

V. **COMPENSATION.** The Engineering Firm cannot guarantee the amount of the

total billings. This will depend on the amount of time expended, the nature and circumstances of the subject project and property with regard to the project, the level of review and permitting necessary to complete the project and the amount of reimbursable expenses and costs.

A. Rates. All rates are set forth in the 2017 Rate Schedule attached.

B. All Services will be billed. The Township will be billed at the rates set forth in the 2017 Rate Schedule. This includes, but is not limited to, telephone calls, dictating, reviewing, letters, design, calculations, report preparation, specification writing, revisions, travel time to and from site property and meetings, and any other services related to this matter.

C. Estimates. Except where otherwise provided, estimated fees are not intended to be a commitment to a lump sum fee, but are rather intended to be a reasonable budget estimate based on the indicated project scope. Actual billings will be on a time, cost and expenditure basis in accordance with the 2017 Fee Schedule for services rendered by principals and employees.

D. Costs and Expenses. In addition to Engineering fees and professional services, the Township is responsible for all job expenses including, but not limited to mileage at the applicable IRS rate, postage, photocopies, long distance telephone charges, overnight mail and courier service expenses and other reasonable expenses necessarily incurred in this project. These expenses shall be itemized separately on the Engineering Firm's billing. Any state and federal taxes or fees which may be imposed on gross receipts or revenues are in addition to the professional fees under the terms of this Agreement will be added to the amounts due and shall be paid by the Township.

VI. BILLS DISCLOSURE. The Engineering Firm will send you an itemized progress bill normally on a monthly basis. All bills are due upon receipt. Final bills are due

upon completion of services.

VII. TOWNSHIP'S RESPONSIBILITY. The Township must cooperate with the Engineering Firm and provide all information requested and/or necessary. The Township agrees to provide access to property at all reasonable times to allow the Engineering Firm the opportunity to provide the requested services. Either party may terminate this Agreement upon written notice to the other. In the event of such termination, the Engineering Firm shall be entitled to payment for work completed, based upon a time accounting as of the date of the notice of termination, along with all outstanding costs and expenses in connection with the project.

VIII. NO GUARANTEE. The Engineering Firm agrees to provide conscientious, competent and diligent services and at all times will seek to achieve solution which are just and reasonable for the Township. However, because of the uncertainty of the application and approval process, the varied number of approvals and/or permits the Project may require, whether or not variances will be sought in connection with the Project, interpretations and changes in the law and many unknown and variable factors, the Engineering Firm cannot and does not warrant, predict or guarantee results or the final outcome of the Project.

IX. OWNERSHIP & FILE LIEN. All original field notes, calculations, drawings (tracings), work sheets, correspondence, and other file data, other than documents loaned and furnished by the Township, will remain in the ownership and possession of the Engineering Firm. Prints or photocopies of documents as required by the Township will be furnished and charged for when appropriate. Prints of the Engineering Firm's drawings are not valid unless both signature and embossed seal of the licensee appear on the prints. Eradication, erasures, revisions, additions, or cuttings made to such drawings will invalidate them unless such changes

or additions specifically originate in our office and are acknowledge and approved in writing. Should this Agreement be breached or in any way terminated, the Engineering Firm shall be entitled to immediate payment of any and all outstanding bills and/or reimbursement of any and all costs, disbursements and/or expenses. Said charges shall constitute a lien upon the file until paid in their entirety. The file shall remain in the Engineering Firm's possession, including any and all documents, to which you may be entitled, until discharge of the lien in full.

X. DISPUTES. In the event of any disputes between the parties which cannot be resolved between themselves, the parties agree that any action shall be brought in the Superior Court of New Jersey, Gloucester County. The parties hereby agree to submit to the jurisdiction of such court, and such courts shall have full and exclusive jurisdiction of any disputes.

XI. ATTORNEYS' FEES. In the event suit or action is brought, or an arbitration proceeding is initiated, to enforce or interpret any of the provisions of this Agreement, or that is based thereon, the prevailing party shall be entitled to reasonable attorneys' fees in connection therewith. The determination of who is the prevailing party and the amount of reasonable attorneys' fees to be paid to the prevailing party shall be decided by the arbitrator(s) (with respect to attorneys' fees incurred prior to and during the arbitration proceedings) or by the court or courts, including any appellate court, in which such matter is tried, heard or decided.

XII. AFFIRMATIVE ACTION. During the performance of this Contract, the Engineering Firm agrees as follows:

Engineering Firm, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression,

Engineering Firm will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Engineering Firm agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Township's designated Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

Engineering Firm, where applicable will, in all solicitations or advertisements for employees, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status or, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

Engineering Firm, where applicable, agrees to comply with the regulations promulgated by the Treasurer of the State of New Jersey pursuant to N.J.S.A. 10:531 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

Engineering Firm agrees to attempt in good faith to employ minority and female workers consistent with the applicable county employment goals prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer of the State of New Jersey pursuant to P.L. 1975, c.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer of the State of New Jersey pursuant to P.L.

1975, c. 127, as amended and supplemented from time to time.

Engineering Firm agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal Law and applicable Federal Court decisions.

Engineering Firm shall submit to the public agency, after notification of award but prior to execution of a contract, one of the following three documents: Letter of Federal Affirmative Action Plan Approval; Certificate of Employee Information Report; or Employee Information Report Form AA302.

Engineering Firm shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of
