

1. We see there a Notary Statue added to the TWP website under the Request for Proposals – Qualified Solar Provider page (link below). Does the Response to Questions no. 2, question 1 waiving the notary requirement so long as all signatures are certified by the vendor’s attorney still stand?

Given this new law is in effect while we are still under a State of Emergency Executive Order 103, the posting of this new Notary Statute amends previous responses posted/provided regarding notary questions/responses. The new statute includes attorneys and other officers authorized to take oaths. All notary signatures are required to comply with this new law.

2. Also, how will the Twp. handle the bid opening? Will there be a live telecast review of the bids and if so when?

As this is not a formal request for bids, there will be no live telecast for a bid opening. Request for proposals are due by 10:00AM on April 22, 2020 via hardcopy or PDF format to achiselko@monroetownshipnj.org.
