

1. **Radix Elementary School:**

Are we allowed to use the Northern Parking lot for carports? Can we use the Western Lot for Carports? Can we use the roofs? Is the boundary line for the Ground mount below the baseball field?

No carports or rooftop solar installations will be done at Radix.

The field located on the rear southern side of the school can be fully used for the installation of ground mount solar including the baseball field.

2. **Monroe Township Municipal Building:**

Are we able to use the rooftop?

No.

3. **Monroe Township Public Library:**

Are we able to use the rooftop?

No.

Please confirm the grassy area West of the Northwest Lot is usable for Ground Mounted system?

Only the paved lot on the north western side is available for ground mounts. The grassy area should not be used for solar.
