

Recipient: Monroe Township Planning Board

Letter: Greetings,

I oppose the proposed Application for Preliminary and Final Major Site Plan Approval for Block 1101, Lot 11.01. The applicant cannot successfully meet the townships requirements, not to mention the negative impact this will have on nearby homeowners. We know commercial lots can sometimes be close to residential lots, but that is why we need adequate buffers and rules to protect residents from encroachment. Everyone understands the need for bringing businesses into our town, and creating jobs for local residents, but this is not the way to accomplish that. The location is not a suitable choice, especially for a project of this magnitude, which is why I am respectfully urging you to stand up for the homeowners in Williamstown and oppose this location for the LiDL grocery store.
