K.) REPORTS

Mayor DiLucia extended his appreciation to all of the employees, friends, Council and the residents of Monroe Township on behalf of him and his family for extending signs of sympathy during a very difficult time. Mayor DiLucia spoke regarding the Lidl Supermarket, noting this will bring new revenue in the form of new brick and mortar to the town. He noted, the major resident concerns with Lidl have been addressed. One major concern was the potential increase in traffic on Herbert Blvd., which he was able to convince the developer not to have an exit on Herbert Blvd., therefore minimizing the amount of traffic. Another concern of the residents who travel on Herbert Blvd., was that of the need for illuminating stop signs, which the developer agreed to and will be placed at the intersections at Holiday City and on Lake Avenue. The biggest thing he was able to accomplish with the developer is, normally the Township is responsible for the repaving of the roads after construction, which is very costly; however, the developer was agreeable to resurfacing Lake Avenue and have agreed to do a reconstruction as opposed to an overlay. He explained Lidl's business model in terms of receiving deliveries, which amounts to one delivery a day as opposed to multiple throughout the day and night. Mayor DiLucia spoke in reference to the Mink Lane Project, which will be located off of Sicklerville Road and proceed back to Mink Lane. This will be a 200 square foot warehouse that will yield approximately \$400,000.00 in annual taxes and 39 single family homes to be located behind the warehouse that will yield approximately \$300,00.00 to \$400,000.00 in taxes. Mayor DiLucia reported that the Dog Park is upon completion, with everything ready to go; however, they are currently awaiting approval from the Pinelands Commission.

Deputy Mayor DiLolle congratulated Dawn Farrell on her retirement after 34 years of employment with the Township. He wished Mrs. Farrell well in her retirement. Mr. DiLolle noted, anyone that has had the pleasure of working with Mrs. Farrell, has dealt with a professional, courteous person who has made Monroe Township look very good.

Solicitor Trimble congratulated Dawn Farrell on her retirement, noting she is a pro in this town and has been for a long time and she will be missed. Solicitor Trimble reported, his firm continues to work on the business of the town on a daily basis. He noted, on June 10th, there was a hearing before Judge Becker, wherein he granted a final judgement of compliance and

repose as it related to the Township's housing and Fair Share Plan. In 2015, the town had filed a declaratory action asking for relief or an acknowledgement that the town had met its affordable housing numbers; six years later, it was received and the town is protected from builders' remedy suits through July 2025. **Solicitor Trimble** acknowledged Tim Kernan for all of his hard work throughout the project and his Planner's Report. In addition, as part of the hearing and part of the Township's requirements under a settlement agreement with Fair Share Housing, the Township was required to do a midpoint review. Solicitor Trimble asked the Judge to consider the compliance hearing as a satisfaction of that review, to which he agreed. With the agreement from the Judge, the town has saved a considerable amount of money in professional fees for not having to complete the midpoint review. Solicitor Trimble happily informed that his last child has completed the Monroe Township School District, noting for the past 19 years he has had four children in the district. He thanked the School District for providing all of his children a great education.

Director of Community Affairs, Ms. Derieux reported that this coming Friday, July 2nd from 12pm to 3pm, she will be hosting a Senior Citizen Luncheon, welcoming the seniors back to the Pfeiffer Center. Mr. Salvadori thanked Chief Monahan for his help in scheduling the Police Officers for the event. Mr. Salvadori spoke regarding the Girl Scout who is applying for her Eagle Badge. Her plans for a gazebo at Owens Park have been submitted and are pending approval.

Director of Public Safety, Mr. Kurz explained, Williamstown Fire Department's application has gone to Pinelands for approval and the required letters have been sent out. They are hoping to advertise for bids in the early fall.

Police Chief Monahan reported, recently in the SJ Times there was an editorial which rated Monroe Township as having one of the deadliest intersections in the State of New Jersey, located at Whitehall Road and the Black Horse Pike. In review of the data with Lt. Burton, Whitehall Road and the Black Horse Pike has had minimal fatalities in the last 10 years. The data used in the article was found to be false. He has supplied the SJ Times with the correct data and they are going to retract the article. Chief Monahan stated, the Black Horse Pike South has had many fatalities and that is why they have been able to secure the safe driving grants annually to fund aggressive driving, such as Click It or Ticket It and they will continue to secure the grants. Chief Monahan explained, according to the Attorney General, it is now mandated that body-worn cameras have to be worn by uniformed officers. He advised, the Police Department is in the process of obtaining body-worn cameras for the officers and the cameras are on order with the help of a grant they received in the amount of \$101,900.00 for the cameras.

Cncl. Falcone attended the quarterly OEM meeting and Office of Emergency Management is not reporting COVID cases, because the County has stopped reporting them, which is a positive for everyone. Vaccines are still available through the County at the Clayton Public Works location. The OEM Committee brainstorms on all of the safety issues for all upcoming events. Cncl. Falcone advised, any venue that has a permit for an outside area to dine, will be permitted to keep that area open until November 2022, which is governed by the State. Cncl.
