

COMMUNITY NEWS LETTER

A Message From Mayor Greg Wolfe

Hello, I hope all is well with you and your family and I wish you a very Happy and Blessed Easter. I would like to take an opportunity to introduce our new Monroe Township Quarterly Newsletter. This is our first edition and this Newsletter has been designed and created as a way to stay connected with our residents and provide great, useful information regarding daily things going on in Monroe Township. Our hope is that the newsletter will assist our residents with keeping up on current events that occur within Monroe Township, promote new as well as already established business in Monroe Township, recognize individuals and/or groups within our community and much more!

Hard copies of the Newsletter will be placed at both entrances at Monroe Township Town Hall, the Pfeiffer Community Center, The Monroe Township Free Public Library and the Department of Public Works. We will also have an electronic copy available, which will be posted on our township website and social media pages. Please enjoy the newsletters and if any residents have any suggestions or would like to contribute or share some positive news to be considered for the newsletter, please contact 856-728-9800 ext. 206. You can look forward to the next Newsletter to be released at the end of the second quarter in late June.

We are very excited about what has been recently going on in Monroe Township and we look forward to many more things to come this year. As always, we will work extremely hard for YOU and always strive to make Monroe Township even better than it was when we took office. Have a fantastic spring and as always, GO BRAVES!

On March 16th, Monroe Township hosted the annual Easter Egg hunt for children ages 0-12. The Egg hunt kicked off at 11 AM for children with disabilities and then at 12pm for all others. There were over 12,000 Easter eggs scattered through Owens Memorial Park and the children were separated into age brackets. There were also some fun photo ops along the way and of course, the Easter Bunny was on hand to take photos with all the children. Great job by all of our volunteers of the Monroe Township Parks and Recreation Commission on hosting another successful event!

WHAT'S HAPPENING AT OWENS PARK?

We are pleased to announce that construction has begun on a new tennis court and four pickleball courts! Weather permitting, we are hoping for project completion in early to mid-June.

Williamstown/Cecil Fire Department

Did you know that Monroe Township has two, all volunteer fire departments? They not only protect you, your loved ones and your property, but having an all-volunteer fire department also saves our taxpayers thousands of dollars.

The Cecil Fire Department covers the Southern section of Monroe Township while the Williamstown Fire Department covers the center and northern sections of Monroe Township.

UPDATES COMING!

Just a few years ago, we updated and completely renovated the Cecil Fire Department. It is now time that we have to completely demolish and rebuild our main firehouse located on Main Street. The project will be going out for public bid in the upcoming weeks and demolition and construction will begin soon after. This has been a long-awaited project for many years and we are looking forward to getting started.
